Man, a unique entity,
Is part of a boundless

Suspended in darkness,

Is composed of several
Individual stars —
Each contributing to
Its pattern and beauty.

Throughout the universe
Natural law and perpetual
order
Establish, govern, and unite
The celestial bodies.

So it is with man —
Only when he joins
With his brethren
Can he generate the peace
And tranquility
Of the heavens.

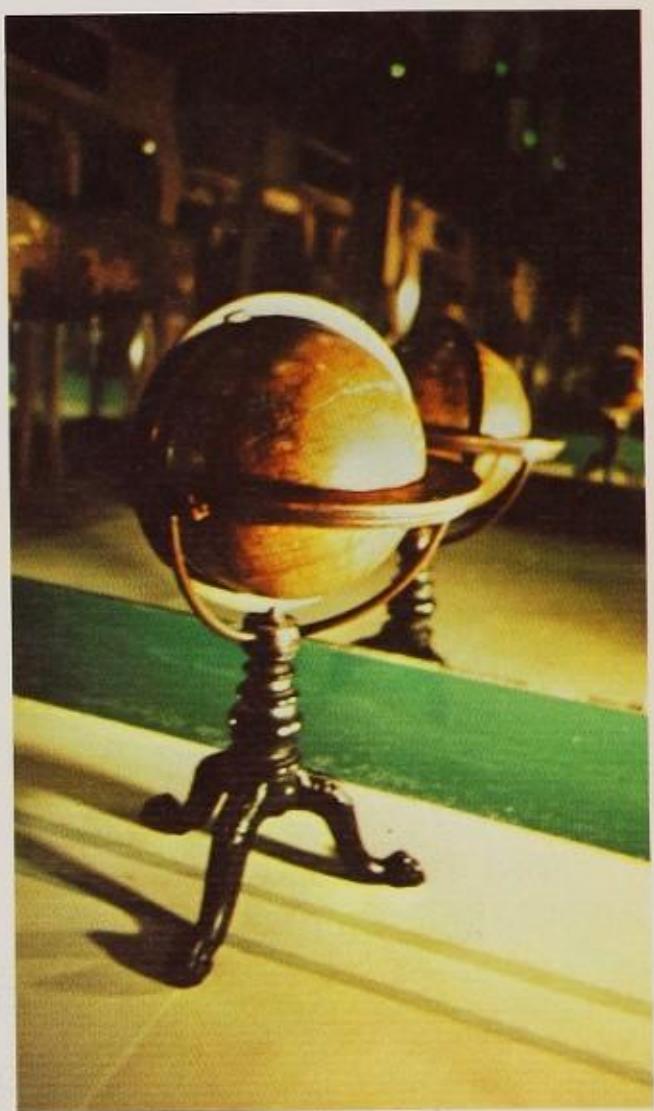

Choosing his own pace,
Setting his own course
Man is an axis for
His sphere of life.

No two men's rotation
identical,
Yet each seeking an identity
In the universe.

His purpose found through
faith
Faith in himself, others,
And the ultimate cosmic
creator,
God.

With every answer,
A new question is born.
The mastery of one answer
Leads to the mystery
Of a new question.

Curiosity, motivation,
Experimentation —
Keys illuminating
The darkened passages
To knowledge.

As incomprehensible as

So is the extent
Of man's abilities.
Man's potentials are as
vast
And awesome
As the cosmos.

Man is a cosmos within

Spring Activities

S C Revives Ancient Goldfish Custom

The ancient art of swallowing live goldfish was revived during the spring activities of '72. Spring Fever Week, sponsored by the Student Council, featured this lively art. It was highlighted by a barbecue, dance and the presentation of the annual golden Coca-Cola awards.

An idea became a reality for retired Spanish teacher, Mrs. Evelyn McCluney, when the language

department sponsored International Language Day. Each language class contributed by selling Spanish, German, and French foods. A program including the native dress, dancing, and singing from several countries climaxed the busy activities.

A pre-arranged fire drill, planned by Mr. Sharp, afforded the annual staff the opportunity to announce annual day. An O'Leary's fire engine

appeared in front of the school carrying the sign "Happy Annual Day."

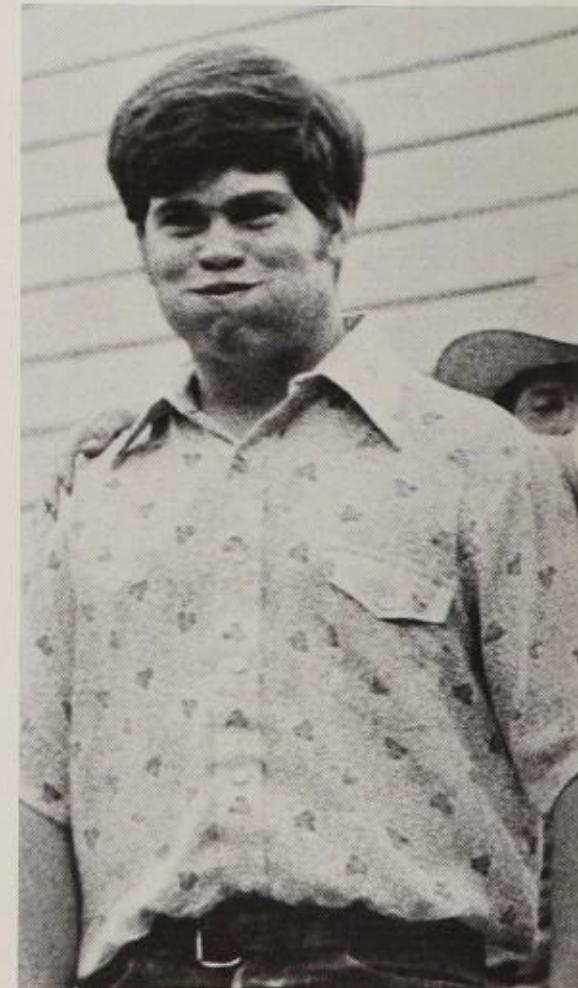

The Political Rally, sponsored by government classes and teachers Mrs. Mary Marsh, Mrs. Jean Mitchell, and Mrs. Betty Quimby was held on April 21. The rally attracted almost all of the local officials and the representatives of many of the state officials.

Barber Crowned 1973 Basketball Queen

Adding to the excitement of the basketball season were many new cheers and chants. Basketball queen Brenna Barber represented Heights in the West Side Lions Club tournament during pre-season play. The senior girls backed the boys with their posters, poems, and cookies.

Leon Bowman, new basketball coach, came from Houston High School in Arlington. The basketball team included returning letterman Darnell Johnson and former members of Heights' junior varsity team.

Homecoming Brings Southwest Defeat

Spirit rose to a climax as "We're number one," echoed throughout Clark Stadium during the annual Homecoming game when the Yellow Jackets shut out the Southwest Rebels with a 10-0 triumph. The victory gave Heights the district championship which proved the Jackets were back and here to stay. It was the first time a Heights varsity football team had beaten Southwest.

Enthusiasm and excitement were generated by the senior girls' many signs, balloons, and crepe paper adorning the school. Mr. Archie Steven's homeroom 21 won first place for the best locker decorations with the theme "Happiness is Winning."

Donna Forester was crowned 1972 Homecoming Queen. Her court included seniors Becky Bagby and Patty Furey. The girls were presented during half time ceremonies as they were escorted out on the field by their fathers.

Many exes returned to take part in Homecoming festivities. "Redwood" provided the music at Round-up Inn for the Homecoming dance.

Club Activities

Marx Brothers Present Humor to Hill

Beginning the year's activities was the Howdy Dance on the school patio sponsored by Allied Youth. In January, AY presented a Marx Brother's movie "A Day at the Races." The slapstick comedy was shown in the auditorium.

Under the direction of Mrs. Martha Austin, AY also sponsored the Mostest Contest in February. AY president Bill Paxton introduced the master and mistress of ceremonies, Mr. and Miss AHHS, Houston Kauffman and Anne Szablowski.

Judges were Mr. and Mrs. Roy Maderias, photographers, Richard Churchill, district attorney; and Mrs. Wardene Azlin, director of the Stairway to the Stars. While waiting for the decision of the judges, the audience was entertained by John Berry and Bill Hines who sang golden oldies of the '50's.

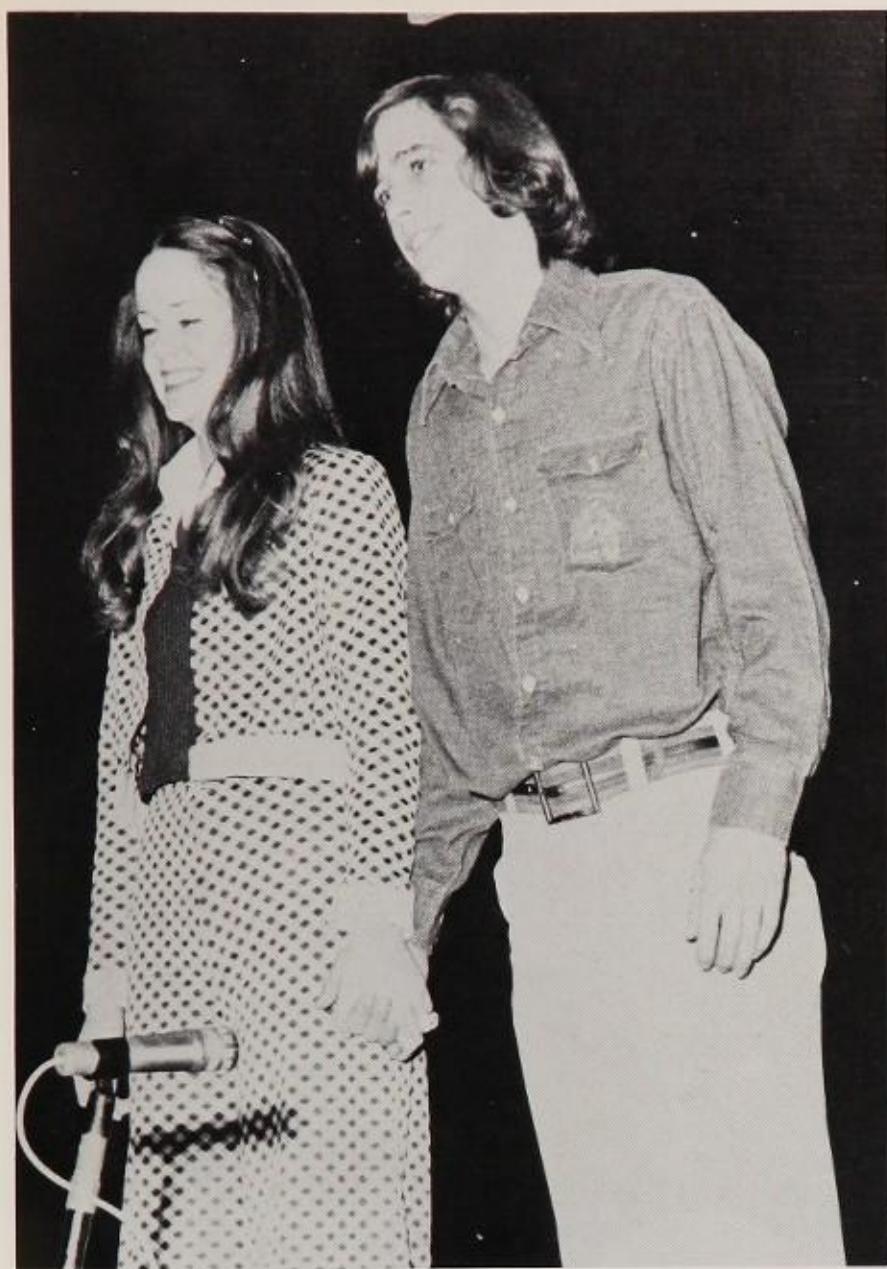

Winners of the Mostest Contest were Cheri Smith and Mark Metcalf, Most Talented; Ann Lindsay, Most Beautiful; and Jeff Fralia, Most Handsome.

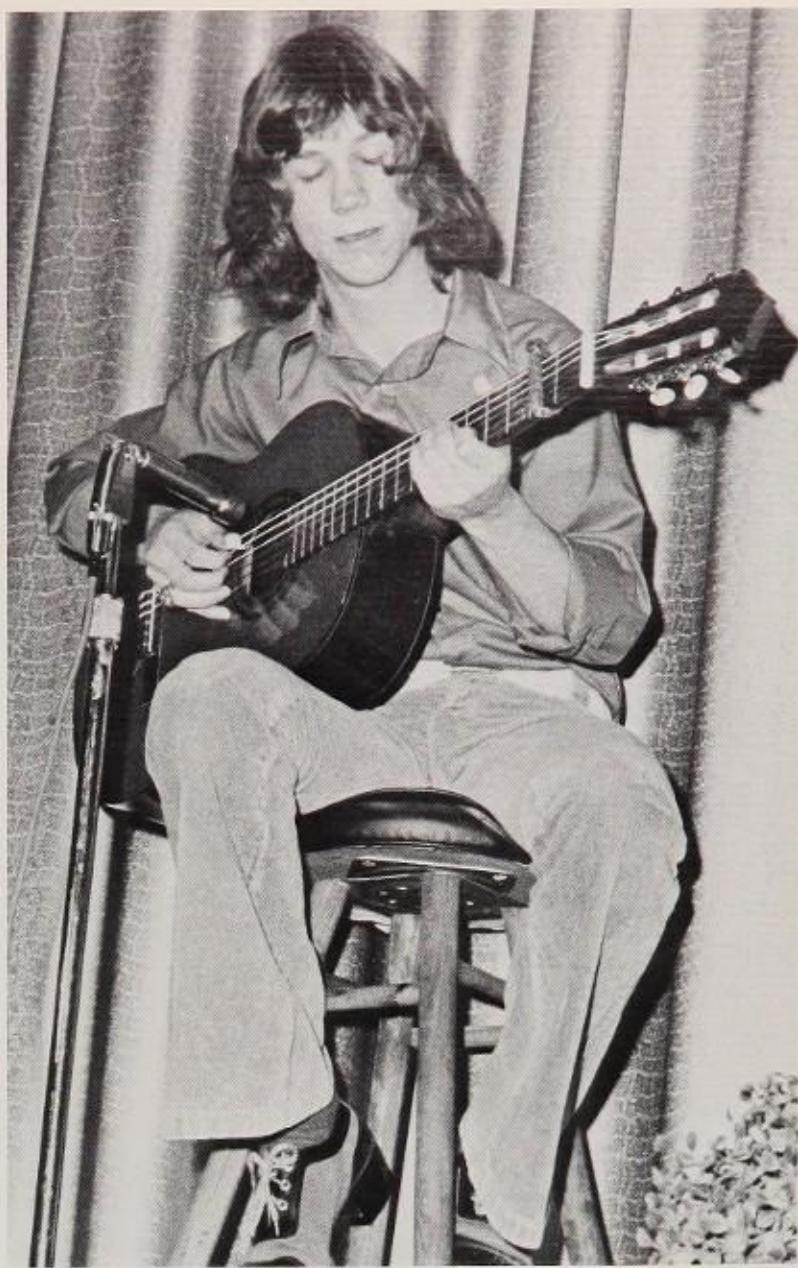

Chico, Groucho, and Harpo Marx appear in the AY sponsored movie, "A Day at the Races."

Howdy Week

Week's Activities Aimed at Welcoming

To welcome freshmen to Heights and to help them feel at home on the Hill, Howdy Week began with a program introducing the various clubs and organizations.

The Student Council sponsored the program which used "The God-father" for the theme. The Howdy dance was given by Allied Youth on the school patio.

Highlighting the close of Howdy Week, Howdy Kings and Queens from each class were presented at a pep rally. Royalty included Eddie Gant and Allison Kerr, seniors; Juan Becera and Denise Wilson, juniors; Stuart Montague and Peggy Stocker, sophomores; and Ed Beggs and Melissa Herring, freshmen.

Elves Spread Cheer Throughout Halls

The essence of Christmas spread throughout the halls and across the patio on Elf Day as Santa's merry helpers delivered telegrams, candy, toys, and gifts to students. Willie Thomas and Anne Szablowski, dressed as Mr. and Mrs. Santa Claus, visited classrooms during the day.

The Special Projects Committee sponsored Elf Day and the Decorations Committee ornamented the Christmas tree in the entry hall.

Miss Betty Watson's homeroom 17 won first place for the best Christmas locker decoration. Other awards were received by Mrs. Beverly Ross' homeroom 117 for "most original" and Miss Dona Stovall's homeroom 307 for "most spirited."

Under the directorship of Mr. Ed Hawkins, choral teacher, and Mr. Fred Bilderback, band instructor, the chorus and band presented a Christmas program combining traditional and modern arrangements.

Valentine's Day

Cupids Send Messages of Love to Hill

Cupids roamed the Halls of Heights as they delivered telegrams to students' secret loves. Sponsored by the Student Council, students paid a quarter for their telegrams to be sent to friends. The messengers, adorned in bright red hearts and crisp white ruffles, were members of the Socials and Special Projects Committees.

Only boys were permitted to nominate and vote on the first annual Valentine Sweetheart. Anne Szablowski was presented at the Valentine's Ball, February 16. The dance was held at the International Ballroom in the Blackstone Hotel. The dress was casual and music was provided by Robert Ealey and his Five Careless Lovers.

Student Council Activities

Dances, Broomball Included in Events

The Student Council sponsored a variety of events during the year. To kick things off, the Student Council organized the Howdy Program which introduced new students and freshmen to the clubs and activities at Heights.

Ice skating parties were planned during Christmas, Thanksgiving and the end of February. During the fun on the ice two clubs or organizations competed in a broomball game.

As a service to the school, the council placed large yellow trash cans around the campus to encourage students to keep the area clean. The Ranch King and Queen election was sponsored by the Student Council in January. Winners were Jim Calhoun and Sandra Hamilton.

Mr. Homer Ludiker and Mrs. Dorothy Scott, sponsors, worked with the council. Officers were Houston Kauffman, president; Glenn Darden, vice-president; Donna Forester, secretary; and D'Ann O'malley, treasurer.

'72 Jackets Hit, Hurt, Bite the Dirt

Official ground breaking for the 1972 Yellow Jackets began August 21, as the thirty-eight man squad reunited to begin their grueling two a day sessions. Emphasis was placed on basic conditioning, agility drills, and the strategic elements of the game. Combining unyielding determination, experience, and physical ability developed in pre-season work,

the team strove to better last year's 7-3 record.

With invaluable experience under their belts the Jackets were led by returning lettermen Lawrence Hill, Mark Julian, Houston Kauffman, Mack Mercer, Bobby Smith, Bobby Spencer, Willie Thomas, and Rob Wall.

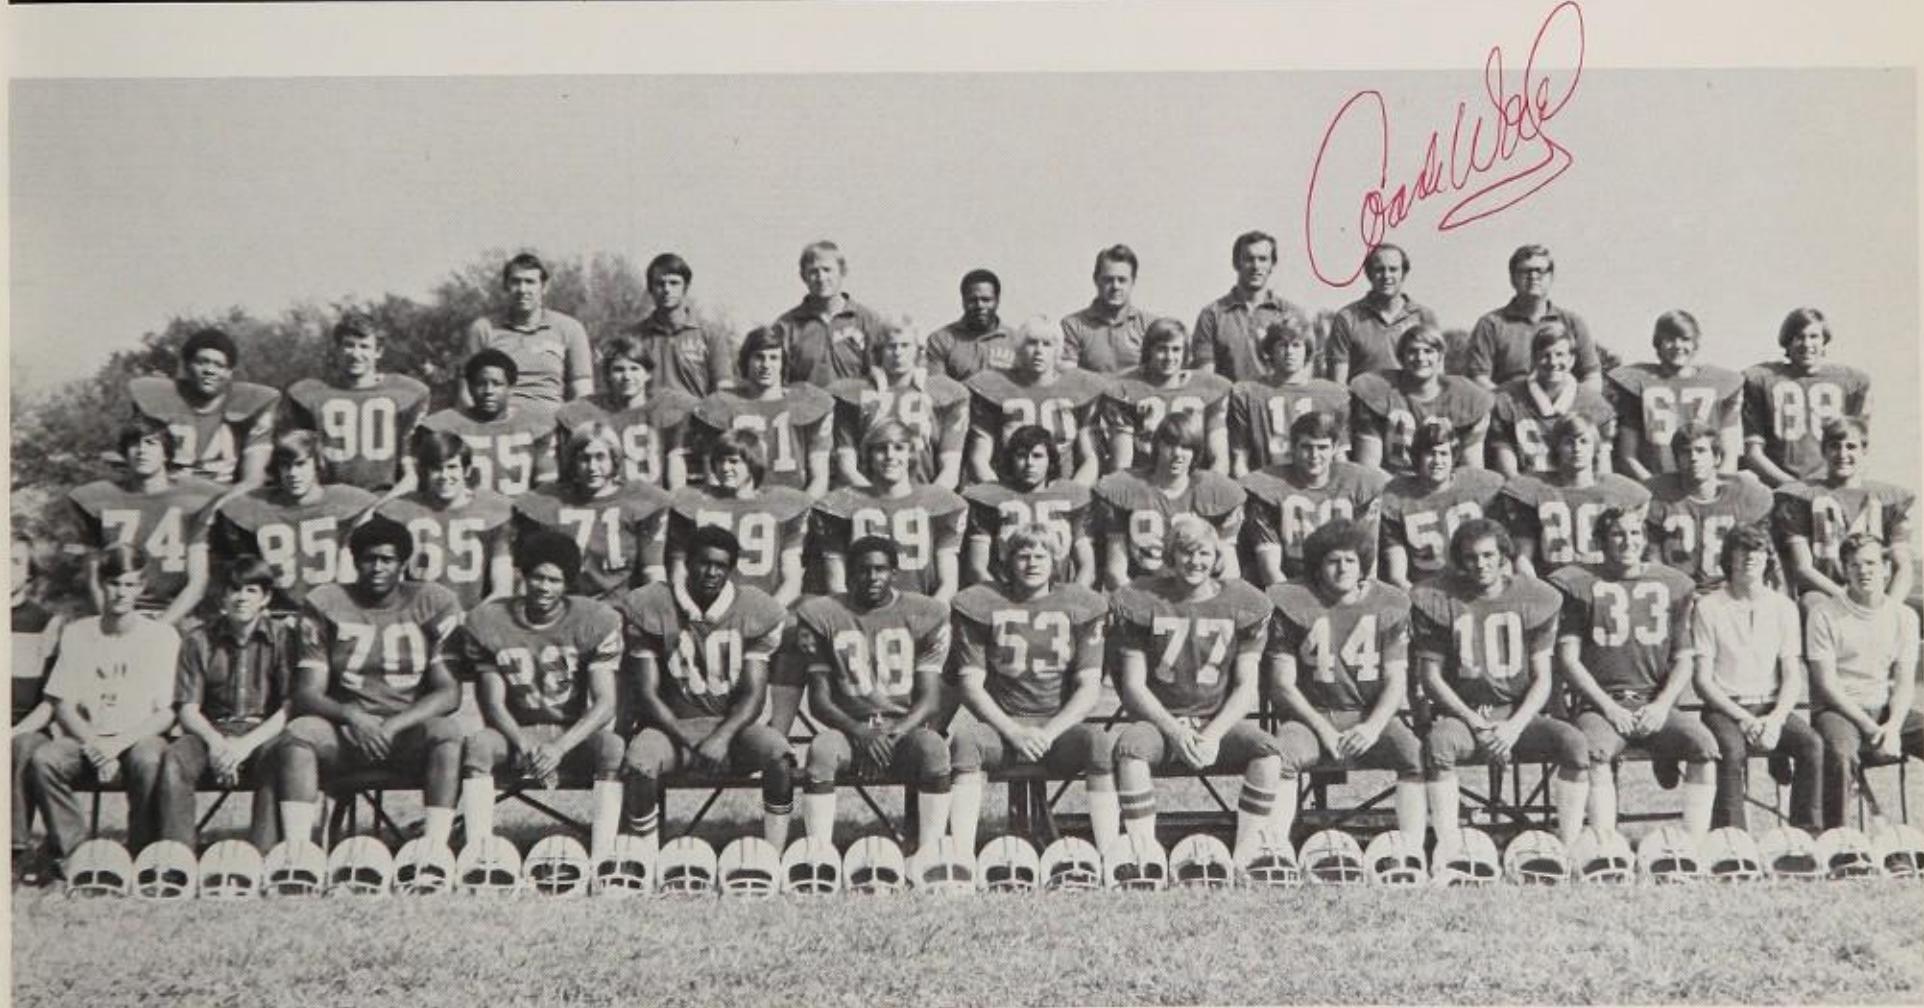

Throughout the season the team

was guided by line coach Steve Chevreaux, backfield coaches Joe Galiga and Larry Wood, and head coach Merlin Priddy.

Assisting the coaching staff by undertaking the necessary tasks of team maintenance were managers Eddie Berridge, Donnie Cutchaw, Bob Carol, Mack Harbert, Kerry Kutchinski, and Bob Sanford.

Varsity Drops Two in Preseason Play

Launching the 1972 football season with a bang, the Arlington Heights Yellow Jackets stunned an unsuspecting Grand Prairie squad September 8 at Farrington Field. Late in the first quarter, Heights put together a 77-yard drive which ended with a 15-yard scamper by senior halfback Mark Julian and seven points for the Yellow Jackets. The ensuing kickoff gave Heights the ball, after a Gopher fumble, and Julian scored from six yards out. The Jackets rolled to a 20-16 half-time lead after Julian broke loose for a 60-yard sprint. Second-half scores on a pass from reserve quarterback Matt Herring to end Mike Renfro and a pass interception by linebacker Robert Hare blasted Heights to a 40-13 victory.

Returning to action in their next

pre-season bout, the Jackets met the Arlington Colts at Clark Stadium. Arlington's defense proved too stout for the Jackets, forcing several fumbles. Despite Mike Renfro's efforts at the receiving end of nine passes totalling 119 yards, the Jackets remained scoreless and suffered a 28-0 loss.

On September 21, the Jackets matched skills with a determined Wyatt team at Clark Stadium. After a Chap score, the Jackets marked up an 8-7 lead on a pitchout from quarterback Bob Spencer to halfback Mack Mercer, who also ran the conversion. Later, Heights scored on a Spencer-to-Renfro pass, and Bobby Smith's kick gave Heights a 15-7 edge. Coming from behind with two fourth quarter scores, the Chaps finished ahead 19-15.

In the following contest, thunderbolt running back Mark Julian gave Heights an early edge over Terrell's Panthers with an 89-yard run on the opening kickoff. Hanging onto their initial lead through the first three periods of play, the Jackets upped their mark early in the fourth period and went home with a 13-6 victory.

Anxious to take home another victory, the Jackets cleaned up October 5 in a 32-13 sweep over the Eastern Hills Highlanders. Heights' first scores came on a pitchout to Julian and a 25-yard touchdown pass from Spencer to Renfro. Later, two Spencer-to-Julian passes drew blood, one a 70-yard Julian blowout. An additional score by Herring hung an embarrassing defeat on the Highlanders.

Junior all-district defensive tackle Greg Newman (66) pursues all-state ball carrier Ivey Suber (31).

Senior Bob Howard (22) tears away from Terrell defender.

Heights Captures Top Spot in District

In their opening 4A-10 District game at Farrington Field the Yellow Jackets were matched with the Western Hills Cougars. Halftime scores were knotted at 7-7, but both teams scored in the third quarter with Heights' rally on a touchdown drive by Keith Miller. Fourth quarter Jacket scores set up an Arlington Heights victory at 28-22.

Though weather conditions were unfavorable on October 26, when Heights met North Side at Clark Field, the Jackets were slowed only slightly and left the steers blinded in a 9-0 upset. Heights' scores consisted of a field goal by sophomore Tony Franklin and a one yard touchdown spin over by Julian. An impregnable Jacket defense forced ten Steer fumbles and kept their running attack bottled.

Next the Carter Eagles fell prey to a ravenous Jacket attack at Hand-

ley Field. Heights' first half scores were on a two yard Spencer sneak, two runs by Julian of fourteen and seventy-nine yards, and on a Spencer-to-Renfro pass. Both teams continued to score yet Carter remained behind Heights' second half reserves and bit a 32-12 defeat.

In a customary manner of rivalry on the Hill, the Yellow Jackets met the Panthers of R.L. Paschal, November 10, at Clark Field. The Panthers broke open the game in the first quarter, but shortly after Mercer started the Panthers to their downfall as he swept right end for 37 yards and the score. Spencer's conversion was good. Recovering a Paschal fumble the Jackets moved down field putting Spencer over the line for paydirt and Smith for two. Second half scores by Julian, Miller and Spencer clearly defined the Yellow Jackets as being too much for

the Panthers and saw Height to a 42-13 runaway.

With four district victories in their pockets and the 4A-10 championship at hand the Yellow Jackets met the Southwest Rebels in a decisive Homecoming battle November 17. Midway in the first quarter the Jackets drove to the Rebel 33 where Tony Franklin booted a city record 50 yard field goal. Southwest attempted to bounce back, but fumbled to Renfro. Eight plays later a 12 yard keeper by Spencer and Julian's sweep around left end combined with Franklin's extra point kick set Heights on top 10-0 with 1:07 remaining in the first quarter. Heights' stifling defense held strong until the end when the Jackets walked into the league's throne room on a 10-0 victory and an unblemished conference record.

Jackets Blank Chaps for City Crown

On November 24, the Yellow Jackets returned to the swampy badlands of Farrington Field in a return match against Wyatt for the bi-district title. After a scoreless first half, the only score of the game came when the Jackets picked up six on a five-yard dart over right guard by Julian. Heights' ferocious defense limited Wyatt to 162 yards total offense and upset the Chaps 6-0.

Moving toward the top, Heights' squad packed up for Dallas and Loos Field's astroturf the following week

to battle the Skyline Raiders for the regional championship. After a tight first half, the clock saw Skyline ahead 10-0, but the Jackets scored three on a 32-yard Tony Franklin field goal in the third quarter. Several Heights mistakes, along with key breaks for Skyline, propelled the Raiders to a 24-3 victory, leaving the Yellow Jackets short of their regional hopes, but contented with a city title.

Capping off the season, the Jackets placed six players on local 10-

AAAA all-district teams. Tackle Greg Newman and linebacker Bobby Smith placed defensively, while quarterback Bob Spencer placed offensively. Halfback Mark Julian, tackle Willie Thomas and split end Mike Renfro were chosen both ways. Julian and Renfro shared the Star-Telegram's Offensive Player of the Year award, with Julian named KXOL's co-Player of the Year. Renfro bettered the city pass receiving record with 796 net yards.

Football

AH JV Clutches District Championship

Blasting through a competitive 10-game schedule, the Jacket junior varsity blanketed all opponents except Southwest and captured the district crown. The team boasted a 30-point-per-game average and set a record for the largest score ever in a Heights football game with a 72-0

sweep over Trimble Tech.

Under the guidance of coaches Leon Bowman and Bob Etheridge, the Jacket offensive team featured quarterback Billy Scheihing, halfback Norman McGinnis, tight end Karl Biggs, and split end Berry Wesberry. Offensive linemen Don Hatfield

and Lyn Wesley provided protection.

Defensive strong points were linebackers Kelly Buster, Don Hatfield and Jeff Blitch and end Dave Richardson. Maintaining equipment and applying first aid was manager Robert Harper.

Guided by coaches Billy Earl and Mike Price, the 1972 Jacket freshmen rolled to a 7-3 record and settled for second place in district competition.

Preseason Helps Prepare Roundballers

With three returning lettermen on the court and a new man wearing the coach's cap, the 1973 Jackets basketball team opened the season in hopes of bettering last year's record.

Guided by their new coach, Leon Bowman, the Heights squad underwent a rigorous 14 game pre-season schedule, which produced a 6-8 won-lost record and the consolation trophy in the Breakfast Optimist Tournament.

Managers John Sharp and Mike Crager maintained equipment, and trainer Pat Frederickson took care of medical problems.

AH Takes Third in First Half Action

With a tough pre-season schedule behind them, the Jacket roundballers met their traditional rivals, the Pascal Panthers, on January 9. After a slow first half, Carl Webb ignited a second half comeback with 21 points. Pat Kelley put in 14, with the Jackets pulling out a 61-55 victory.

On January 12 the Jackets faced the North Side Steers in their next district bout. Despite Carl Webb's high of 18 points and Darnell John-

son's 16, the Steers claimed a 61-53 victory.

The following week Heights sped to an early lead over Western Hills, but the Jackets still had to rely on the clutch free throws of Rusty McCloud in the final quarter to sack up a 65-59 win. High scores were made by Darnell Johnson and Pat Kelley with 19 and 15 points respectively.

Although outshooting the Southwest Rebels from the floor on Janu-

ary 18, Heights was undone by Southwest's free throws and settled for a close 38-32 loss. The Jackets hit only two of an unusually low four trips to the charity line, which made the difference in the game.

Darnell Johnson dumped in 29 points as the Yellow Jackets ran past the Carter Eagles in the next game. Pat Kelley and Mark Prevost hit 18 and 15 points as Heights' Cagers grabbed an 81-57 win.

John Hill snatches a rebound from a Southwest defender.

Jackets' Senior Captain Chris Stewart plays a tough defense as he concentrates on his Southwest opponent's next move.

Jackets Sink Hopes for District Win

Facing Paschal in their second half opener, Heights' forward John Truelson sank 23 points, while Pat Kelley and Mark Prevost each hit 10. Fighting hard the Jackets were behind 71-64 at the final buzzer, as the cagers suffered their first loss to the Panthers in four years.

Next the Jacket five deadlocked with Western Hills through dual overtimes but lagged behind at the end 87-86. Darnell Johnson ripped the cords for 26 points, John Truel-

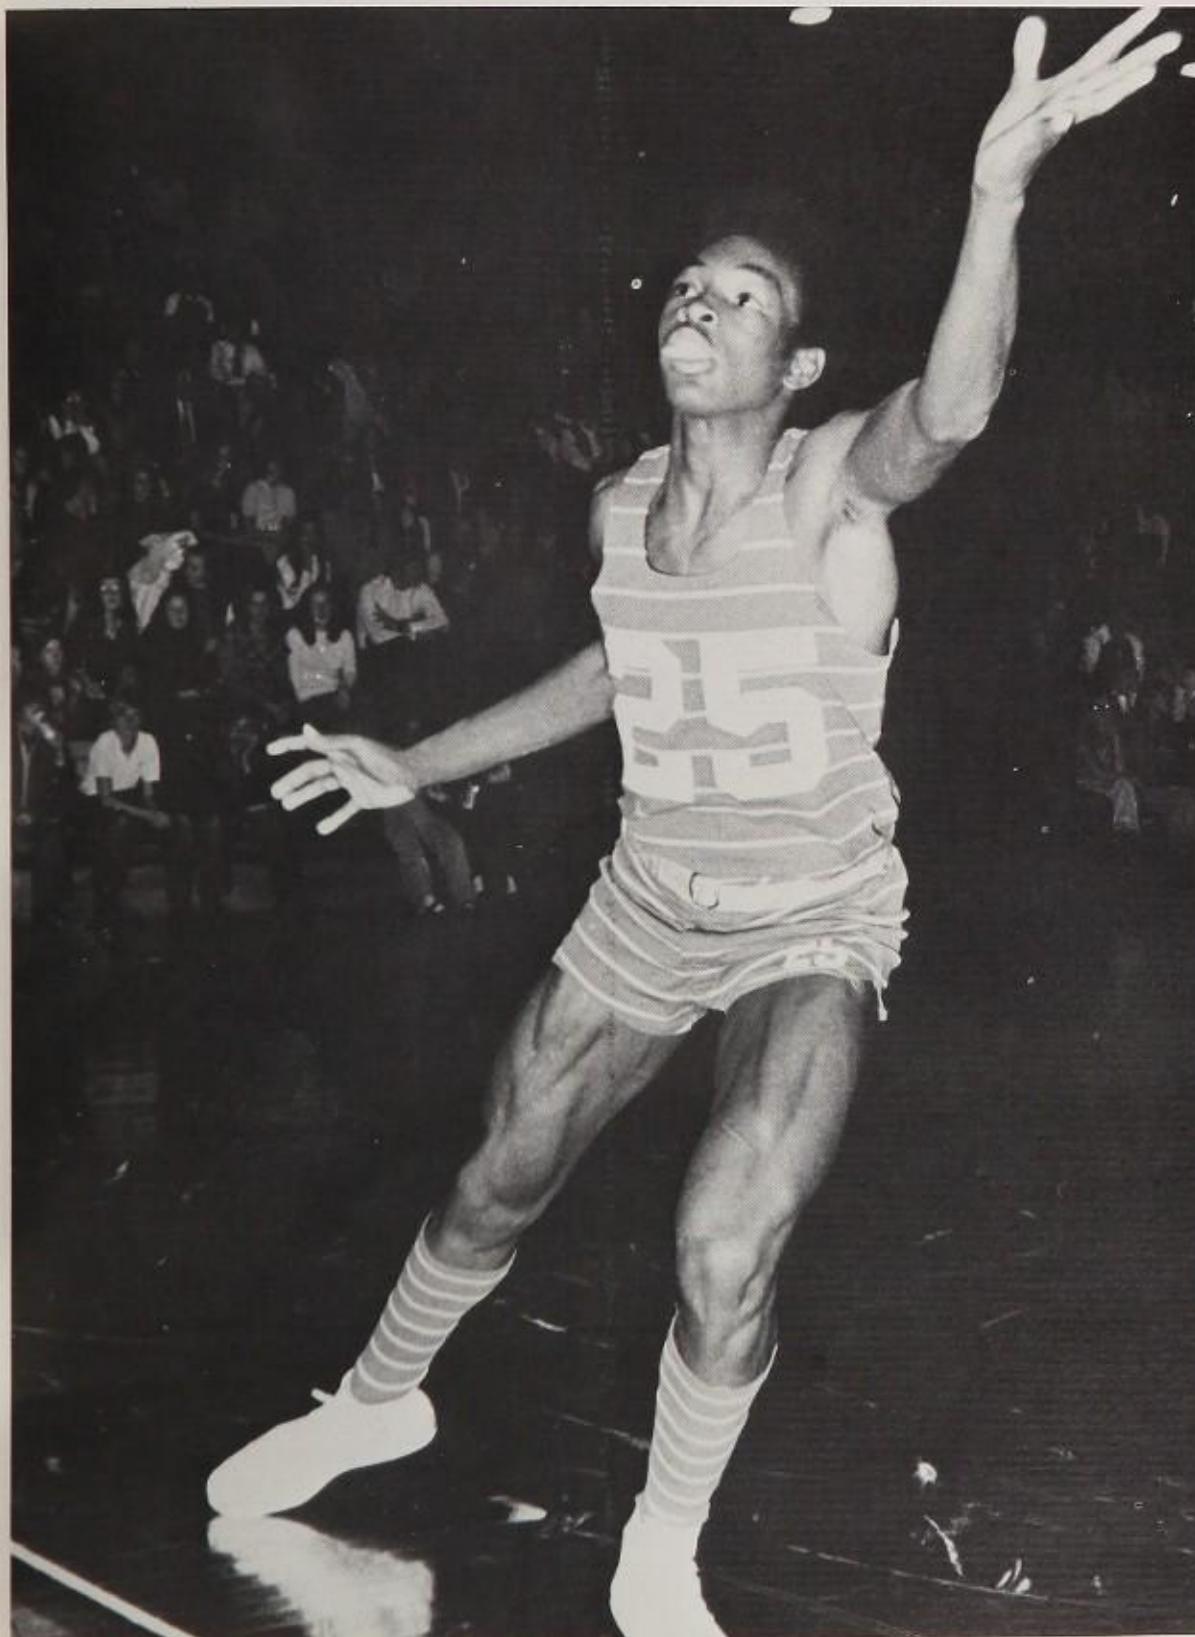

son added 17, and all five Jacket starters hit in double figures.

Hoping to avenge their first defeat, the Jackets again took to the hardwood against Southwest. Junior postman Pat Kelley led the way with 21 points, but Heights was again outgunned by the Rebels 89-66.

The Jackets played a close first half during their game against North Side on February 2. Heights' Pat Kelley paced the Jackets with 18

points, but his efforts were not enough to bring Heights above their 74-59 defeat.

Heights took its first win of the half in a 70-62 win over Carter on February 15. Seniors Darnell Johnson and Chris Stewart were Heights' double figure scorers with 21 and 10 points. However, this victory was not enough to raise the Jackets above their fifth place district finish.

Senior forward Ronald "Smokey" Lusk stretches out for a pass from a Jacket teammate in Heights' second half battle with the Paschal Panthers.

Yellow Jackets Capture District Title

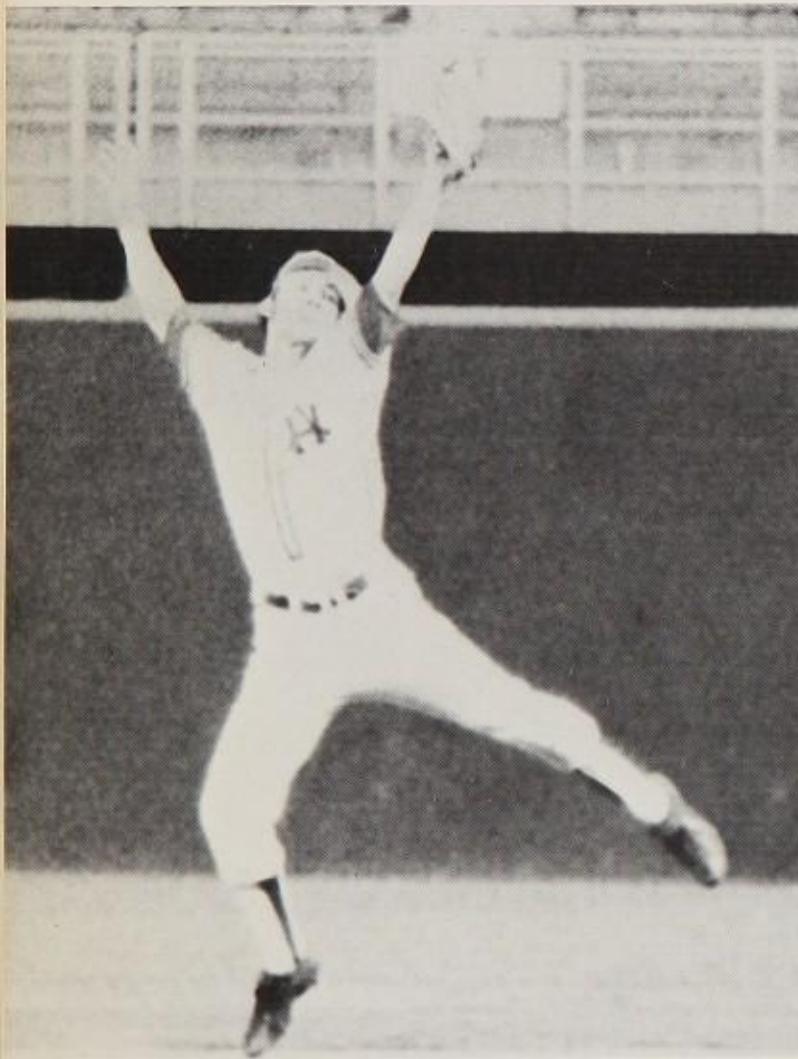

Chalking up an outstanding 26-7 won-lost record, the 1972 Yellow Jacket baseball team swept the district crown into their mitts and ravaged to the last game of the bi-district series where they were dropped in the dust by O. D. Wyatt.

Heights' pitcher Charles Kelly shut out the Chaps 1-0 in the first playoff game, but Wyatt lashed back in the next game with three runs in

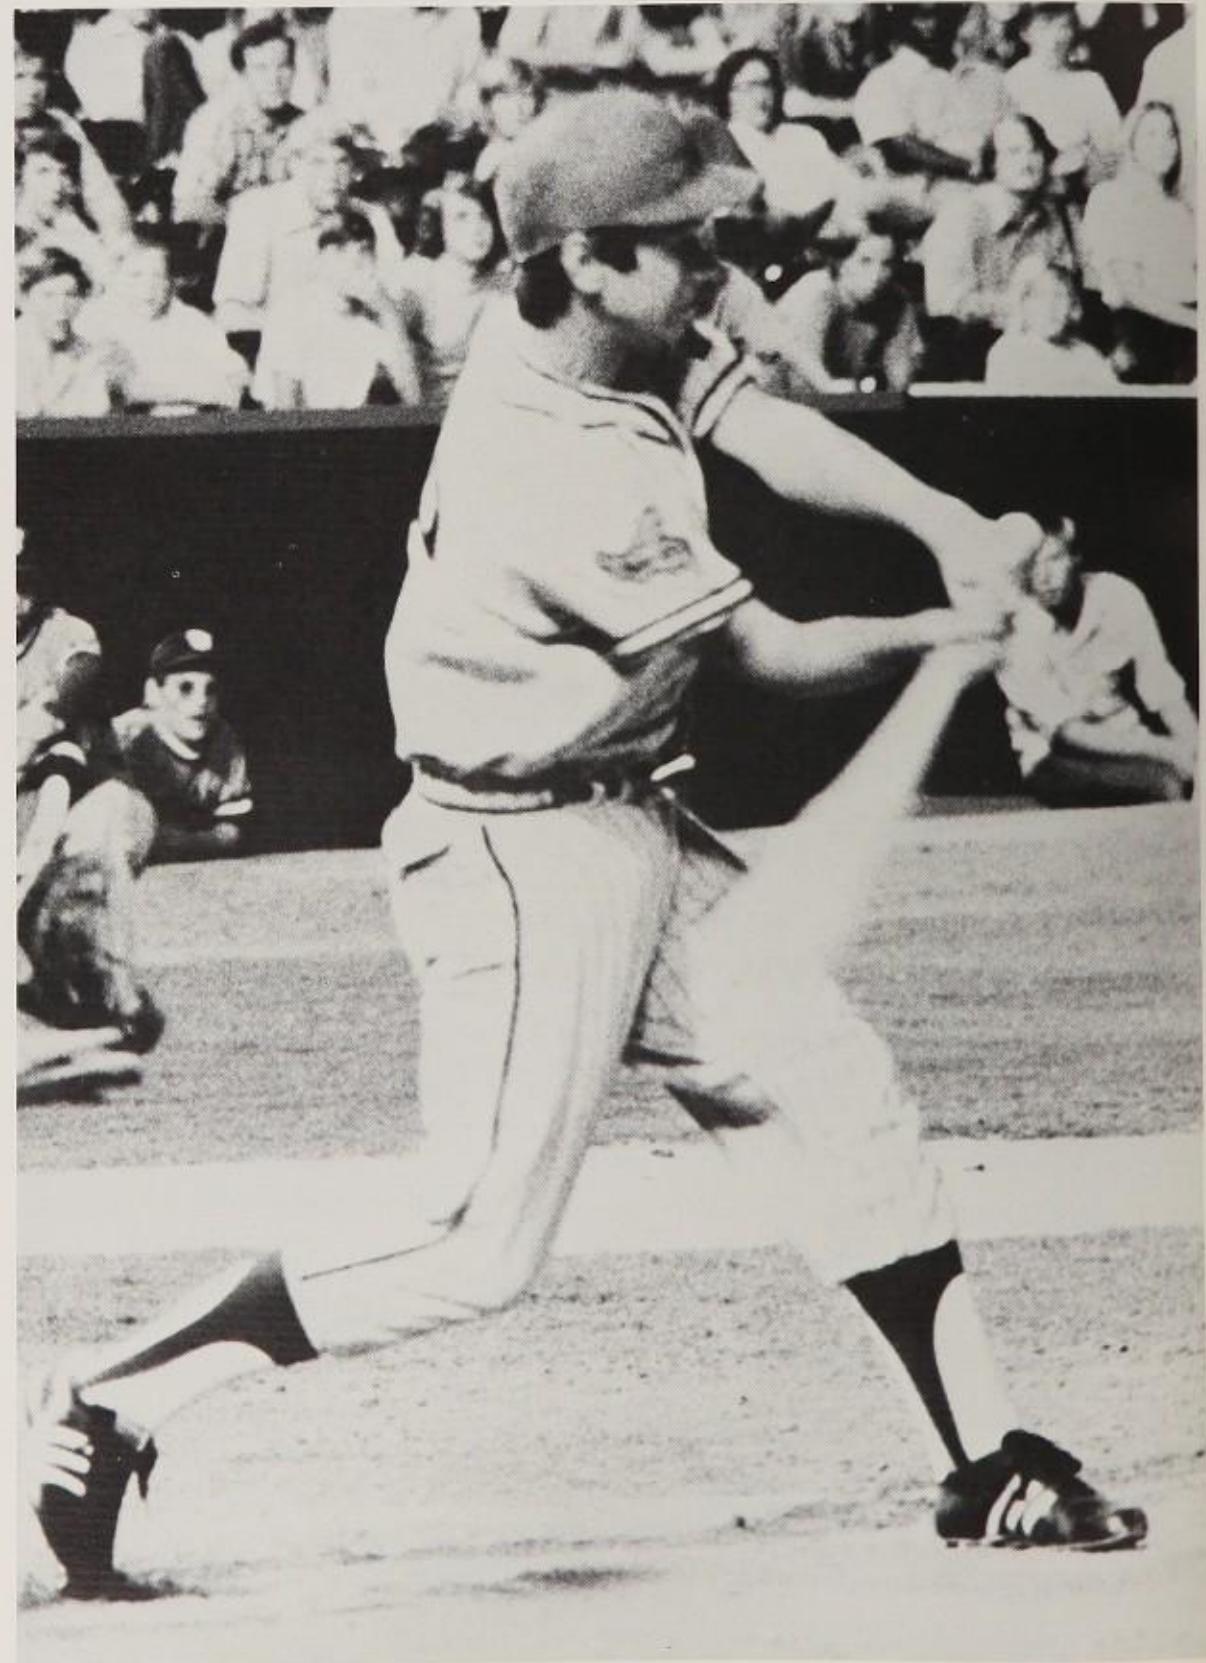

the first inning and left the Jackets stunned 6-0. The third and deciding game saw the Jackets make only two hits in the fourth inning and sinking Heights' hopes for the city title in a 1-0 loss.

Heights placed seven on 4A-10 all-district charts. Second baseman Mark Jones, who batted at a .550 clip for the city's lead and brought home 42 runs, was the coaches'

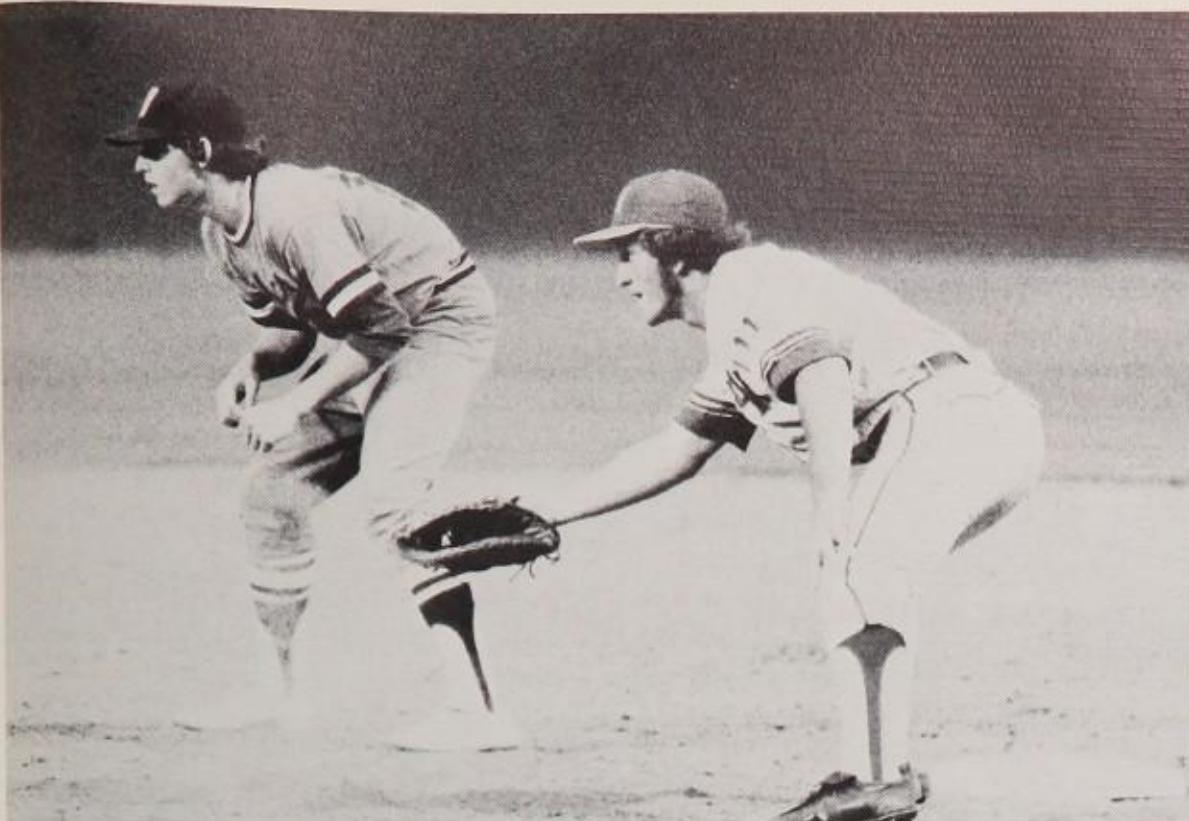

choice for Player of the Year and later signed professionally with the Boston Red Sox. Pitchers Charles Kelly and Bobby Smith each took spots, with Smith also picked at first base for the second year. The group also won the Spirit Stick for outstanding enthusiasm.

Under the supervision of Miss Helen Hale, the cheerleaders painted signs and organized skits and speakers for pep rallies. Requirements for cheerleader were no grade below C and an E average in citizenship.

Yellow Jacket Staff

New Summer Edition to Arrive at Hill

The 240 pages of the *Yellow Jacket*, compiled by 25 students, divided into eight sections, was bound not only by a cover made of cardboard and materials, but also time, patience, and unity.

A new addition to the book was the summer supplement, covering spring activities, with the delivery date in August.

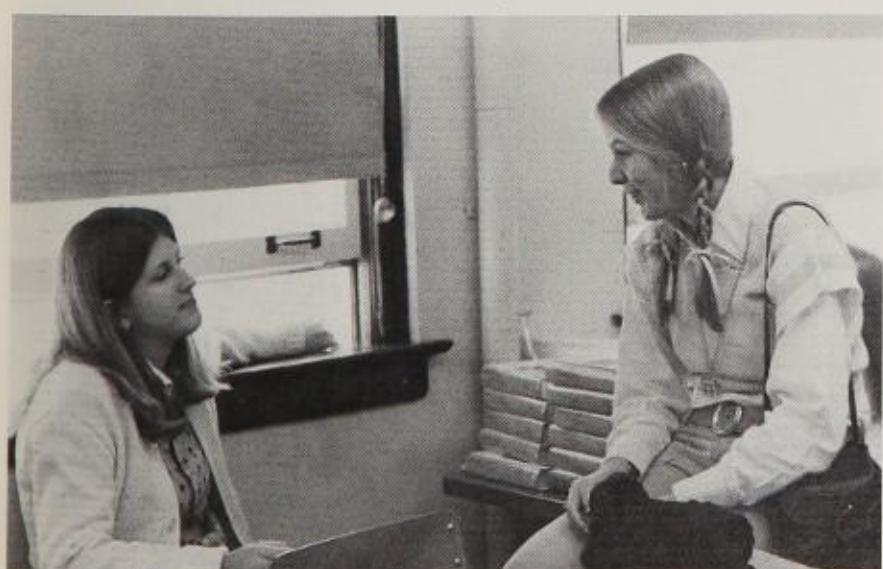

Each member of the staff was essential to the production of the yearbook. Under the supervision of Mrs. Sylvia Tave, the co-editors for the 1972-1973 *Yellow Jacket* were Liz Jordan and Debbie Sarsgard. Ironically, in organizing a year's events, the priceless friendships and memories made cannot be expressed in words or captured in pictures.

Organizations editors Sheila Jones and Cheryl Berridge review past issues of the YJ.

Sandy Peterson and Kim Perrone make quick changes on their section, Activities.

"You did what at the all-night meeting!" exclaims Martha Nowlin to D'Ann O'Malley.

Striving for a new tone in the 1973 Impressions magazine, Mrs. Martha Melton's creative writing class wrote with a more realistic and relevant style.

Margaret Gregory and Bill Davis acted as co-editors of the 24-member staff. There were three representatives from each class responsible for encouraging all students to participate. The magazine included photographed, drawn, and written compositions. Students received magazines after an Impressions staff program in May.

Special editions were prepared for Homecoming, Christmas, and Ranch Day.

The *Jacket Journal* sponsored elec-

A new edition to the *JJ* was "Heights Antics," a cartoon strip which poked fun at happenings on the Hill. News stories, features, and editorials were also included in the paper.

Administration

Board Investigates Busing, Trimester

In a report submitted to the Board of Education in February, the research department of the FWISD revealed its findings on the busing and trimester plan.

It was said that the research data supported a conclusion that the education of white children had not been harmed and the education of black children had improved. It was

suggested that the integration of the faculties had been the deciding factor.

Concerning the trimester plan, the report supported the fact that students had an opportunity to earn more credits. However, teachers felt students were able to cover less material than under the semester plan.

Reading, Comprehension Skills Improve

The reading lab was a new program offered to students to provide an opportunity to improve reading skills. Mrs. Marilyn Bettes, reading teacher, tested students at the beginning of the trimester and placed them on appropriate levels. Each member of the class worked on an individual basis with the exception

of the tachistopic exercise. A group of numbers was projected on a screen for a fraction of a second and the students wrote down what they had seen. The speed and amount of numbers increased as students became more accurate.

Controlled readers projected film strips at various speeds to increase

comprehension and rate. Word Clues books were used for vocabulary development. Periodically students were assigned to use new words in writing original stories. The reading lab also contained a paperback library to encourage students to read for pleasure.

Culture, History of Language Studied

Studying the history, culture, and literature of appropriate areas in addition to grammar and vocabulary added new dimension to foreign language classes. International Day, held in the spring, highlighted what students gained from the study of cultural aspects during their foreign language classes. Students took part in a variety of festivities. German and French foods were prepared, there was Spanish dancing, and a Latin slave auction.

Human Relations Analyzed by Students

Mrs. Jean Mitchell instructed social science courses which included psychology and sociology. Both courses were designed to encourage class discussion and participation.

Psychology, which was introduced last spring, dealt with mental processes and human behavior. Students studied personality development, intelligence ratings, interpersonal behavior, mental retardation and

treatment of abnormal behavior.

Students learned about the various institutions and social conflicts during their study of sociology. Each member of the class was required to do independent studies on current area problems. Many speakers came and talked on topics in conjunction with their studies.

Health Classes Spiced Up

Health teacher Mrs. Kay Kendrick offers her advice to a student.

Interest was stimulated in Mrs. Kay Kendrick's health classes by having parent speakers talk on certain problems and how they had to cope with them. Students gained a better understanding of various disease and illnesses when listening to personal experiences.

Another way students learned about health topics was by the films which accompanied the lessons. Alcoholics Anonymous furnished a film on the dangers of alcohol. Other subjects were communicable diseases, ecology, and drugs.

Art Abilities Developed by Students

Mrs. Diane Kluthe, art teacher, encouraged students to use their creativity on individual projects. Several students chose to macramé, which is knotting threads or chords in ornate patterns. Purses, wall hangings, and belts were among the articles macramed.

Other students experimented with batiks, a method of hand printing fabric with wax on the parts of the fabric not to be dyed. Making pottery by throwing clay on a potter's wheel was another project students undertook. One girl built her own loom for weaving. Some students designed and cast their own jewelry.

JV Football Supported by Sophomores

For several sophomore girls, Saturday afternoons meant painting signs for the junior varsity games. Peggy Stocker and Michelle Thorn, junior varsity cheerleaders, organized the group.

Book Reports Illustrate Creativeness

To create interest in classic novels, Mrs. Beverly Ross had her sophomore English classes divide into groups and present a scene from a book of their choice. Students were free to develop any procedure which they felt would be most effective in their presentation.

Groups used costumes, scenery, and props to capture the essence of their books. *The Hobbit* and the *Cheshire Cat* were among the main characters portrayed. Some of the books reviewed were the *S.S. Titanic*, *Little Women*, and *Rebecca*.

Oiling the bearings, Steve completes last minute preparations.

A bit of creativity, a smidgen of ingenuity, a pinch of knowledge, and many hours of work were ingredients necessary for Steve Fikar to build his own hovercraft.

It took nine months for Steve to complete the 180 pound craft which runs on two ten horsepower go-cart engines. Fans create pressure inside the hollow body which lifts it several inches above the ground. The hovercraft runs up to fifty mph.

Suzie Jary Wins Miss FW Teen Title

Wearing her formal gown, Suzie Jary parades before an audience at Casa Manana.

Suzie Jary won the 1973 title of Miss Teenage Fort Worth on November 4 at Casa Manana. The 120 applicants were required to take aptitude and current event tests which narrowed the number of contestants to 40. After an interview based on appearance and poise, and a talent competition, Suzie was selected to be one of the eight finalists.

During the pageant, Suzie performed a ballet dance to John Sousa's "Stars and Stripes Forever." Suzie represented Fort Worth in the nationally televised Miss Teenage America Pageant.

Suzie was the second girl from Heights to win the title of Miss Teenage Fort Worth in recent years. A \$400 wardrobe from Washer Brothers, a one-year supply of Dr. Pepper, and a sterling silver watch were among the prizes Suzie received.

Suzie Jary displays her dancing ability for the talent portion of the Miss Teenage Contest.

French Exchange Student Visits AHHS

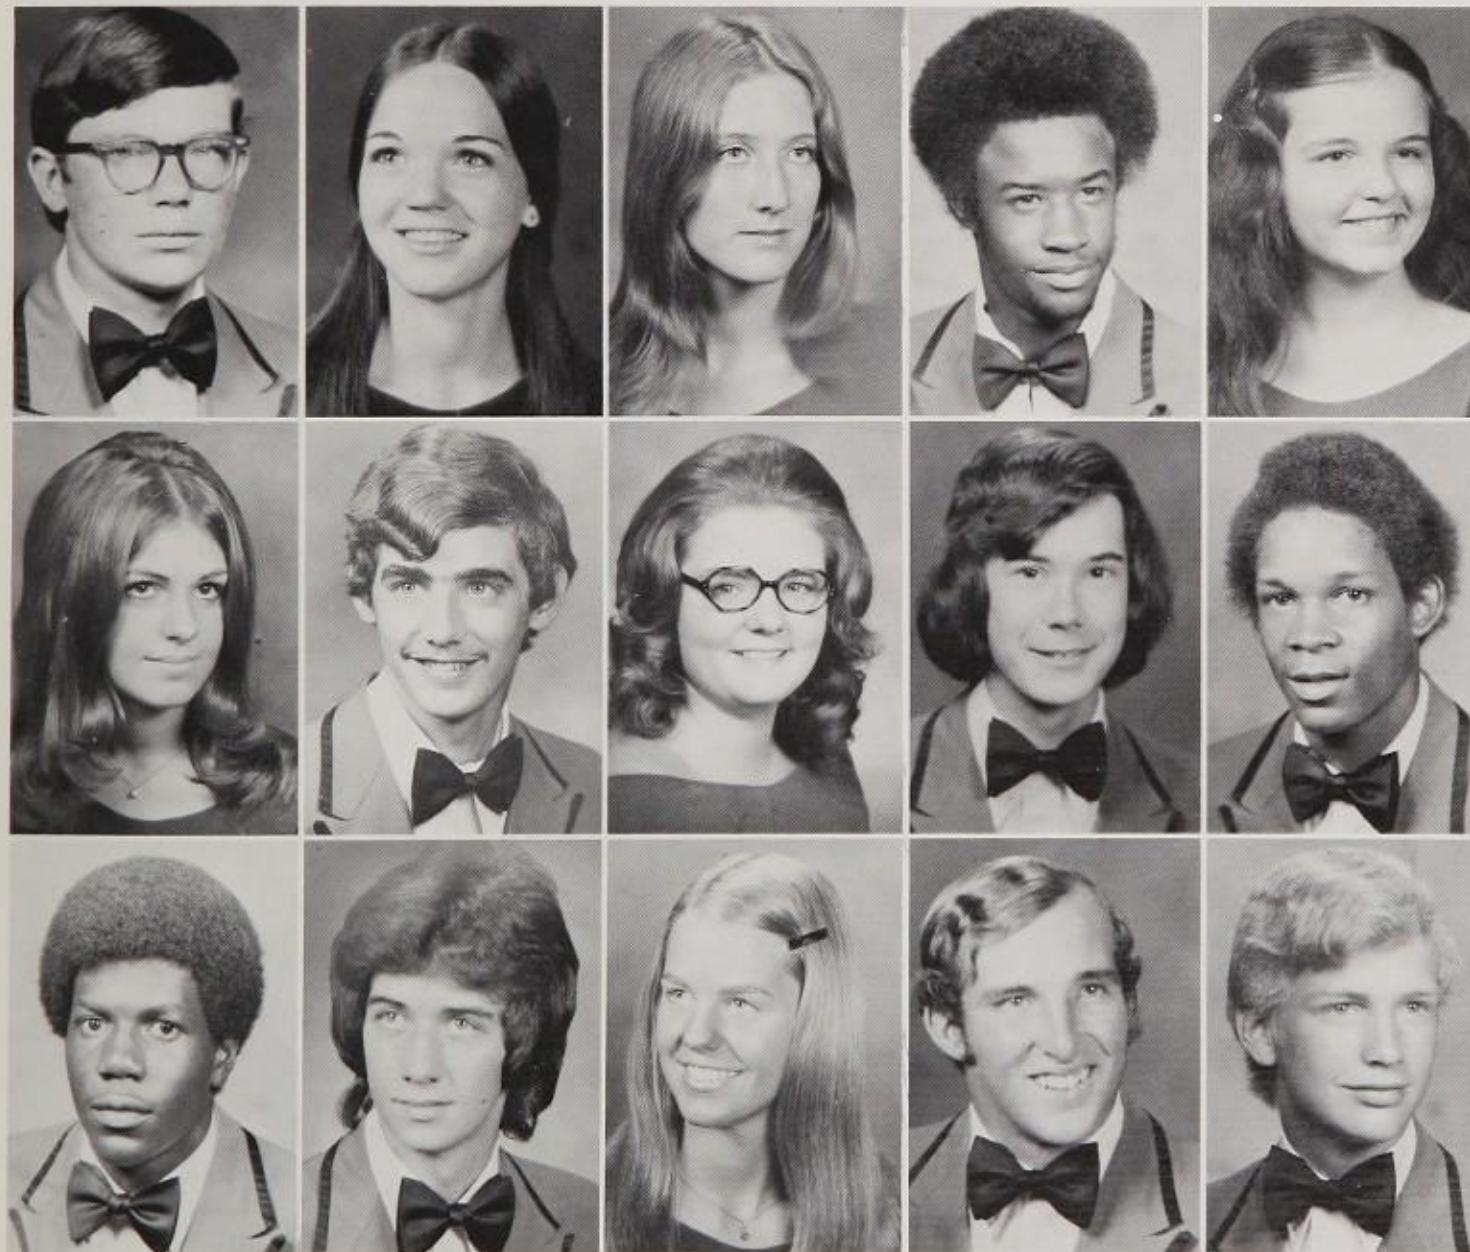

Exchanging customs and going to school, Jean-Marc Ferraud came to Heights for his senior year from Paris, France. Jean-Marc stayed with the John Anderson family.

The Frenchman was amazed that students were allowed to pick teachers and classes because in France he had no choice. The main problem the boy encountered was keeping his conversation in English instead of French. Jean-Marc was made an honorary member of Spirit of the Hill.

The purpose of having foreign exchange students is to promote understanding among nations through the direct contact of students and teachers.

Foreign exchange student Jean-Marc Ferraud works as an assistant in Mrs. Gladys Bright's French class.

Sociology Probes Problems of Society

In the course of studying the interrelationships of man, Mrs. Jean Mitchell's sociology class went on an all-day field trip to Gatesville. Students visited Gatesville School, a state supported institution to help troubled and delinquent boys.

A course requirement was a term paper on a sociological problem, with topics ranging from old age to nuclear reactors. Speakers lectured to students on subjects relating to sociology. A policeman spoke about the dangers of shoplifting, a graduate student from southwestern Baptist Theological Seminary offered a solution to the drug problem, and a teacher spoke on school dropouts.

Michelle Eckroth and Susan Berrey listen attentively as a guest speaker lectures the Sociology class.

Right-To-Vote Extended to Youths

Voting in the 1972 Presidential election was a first for many seniors. Students who were 18 by November 7 were able to register to vote in Mrs. Betty Quimby's room.

A mock election for all Heights students resulted in a landslide victory for Nixon over McGovern. Homerooms were assigned state names to distribute the electoral vote.

Student's interest in the political happenings were stimulated in government classes. Newspapers prepared by the students such as "Gnus on the Moove," "Fort Worth Stress," and "Noose Weak," reported political issues. Making bulletin boards on current events and working for candidates were other means of student involvement.

Jimmy Dean signs the register sheet at the poll.

John Yandell

Man travels an ever-widening
Road
Illuminated by truth, understanding,
Knowledge, and love.
His life is a realm of
Experiences fading into
Memories, not to be forgotten,
But built upon.
Infinistesimal as he may feel
Within the Cosmos,
Man is a radiant glimmer of light
Between two eternities.
